## CERTIFICATE IV IN BUSINESS

#### **PROGRAM OVERVIEW**

The BSB40120 Certificate IV in Business is designed to reflect the roles of individuals working in a variety of Business Services job roles.

The learner will gain practical "work ready skills" using industry current software (including MS Office Suite, XERO, Canva and Wix).

| Elective Units |   |
| BSBPEF402      | Develop personal work priorities                              |
| BSBPEF403      | Lead personal development                                     |
| BSBOPS405      | Organise business meetings                                    |
| BSBFIN301      | Process financial transactions                                |
| BSBESB302      | Develop and present business proposals                        |
| BSBCMM411      | Make presentations  |

### **BUSINESS ENGAGEMENT PRESENTATION**

As a final project that will be completed throughout the course, incorporating performance requirements of several units, students will participate in the Business Engagement Presentation. Stakeholders, inclusive of business owners, consultants and politicians will attend as students host an Expo to advertise their created business. Here they will present their business proposal as a group and receive feedback and build some early, valuable business relationships.

# WHO SHOULD COMPLETE THIS QUALIFICATION?

Upon completion of your Certificate IV in Business, learners will be able to perform a variety of jobs across the business sector. This qualification provides a direct pathway and transitions into the Diploma of Business or the Bachelor of Business/Commerce.
